KERSTEN COLLEGE WORD OF WELCOME

SCHOOL VISION

We want our school to be known as a caring school where all students gain the confidence to become positive, quality, learners.

SCHOOL MISSION

The school will provide a nurturing, caring, stable environment and academic excellence while preparing its students for life long learning.

SCHOOL CHARACTER

The school will strive for the recognition, protection and respect of freedom of belief, religion and speech. The school will utilise the GDE (Gauteng Department of Education) curriculum guidelines.

SCHOOL MOTTO

The school Motto is 'Knowledge, Friendship, and Integrity which is depicted in the School Coat of Arms as 3 gold stars. These principles will be adhered to at all times.

AIMS AND OBJECTIVES

1. Promote the best interest of the learners of the school by providing optimal opportunities for quality education within a sound culture of learning and teaching;
2. Provide support for the educators and other staff in the performance of their respective duties;
3. Foster co-operation and sound relationships among the parents, learners, educators and management of the school;
4. Ensure there is no unfair discrimination toward any learner, parent or staff member;
5. Retain English as the medium of instruction and the functional language of the school whilst giving due regard to the other official languages of South Africa;
6. Promote and maintain sound financial policies and practices in the school;
